(Special to The Times-Dispatch.)
LEXINGTON, VA., June 27.—The commencement exercises of the Virginia Military Institute were brought to a close today with the graduating exercises, which were held in the Stonewall Jackson Memorial Hall, and witnessed by a large and appreciative gathering. General Scott Shipps presided, and presented the diploma to the graduates. Rev. Dr. James P. Smith, of Richmond, Va., made the address of delivering the Jackson-Hope medals to the two highest men of the graduating class.

The valedictory address was delivered by Cadet E. A. Saunders, of Richmond, Va.

After the exercises in the hall the battalion assembled on the parade grounds, when the promotions and appointments were announced, at the conclusion of which, after "Auld Lang Syne" by the band, the battalion broke ranks. The first military ball, given by the second class to the first class at the Virginia Military Institute, is being danced to-night in the institute gymnasium. The opening figure contained twenty-three couples, led by Colonel Beckner, of Kentucky, with Miss Perkins, of Texas.

IN HONOR OF REV.
WILLIAM BYRD LEE

The Twenty-fifth Anniversary of His Pastorate of Wake and Abingdon Churches.

PURSES FROM CONGREGATION

A Splendid Dinner Served in the Grove and Many Speeches Breathing Affection.

(Special to The Times-Dispatch.)

GLOUCESTER COURTHOUSE, VA., June 27.—The celebration of the twenty-fifth anniversary of the pastorate of Rev. William Byrd Lee, rector of Abingdon and Wake Churches, came off today at Wake, a colonial church, and the following programme was carried out: Morning-Prayer at 11:30 by the Rev. R. Young Baber, Mr. Lee's assistant; the Rev. Braxton Bryan, a native of Gloucester, delivered a beautifully appropriate sermon.

After an intermission for dinner, which was served in the Grove, under the management of Mrs. C. B. Cary and Mrs. Frederick Jones, which was a most notable one, the congregation returned to the church, and with the Rev. Braxton Bryan as chairman, the past of the programme was carried out. Judge Field Taylor, senior vestrman of Abingdon Church, read an exceedingly interesting and beautiful review of Mr. Lee's work during his long pastorate.

Judge Taylor was followed by Mr. C. C. Caddell, who in a most feeling manner presented to the pastor a check from the congregation and church in Gloucester, Va., for about eight hundred dollars, and one from the children Dr. Lee has baptized of forty dollars in gold and a beautiful carriage rug from the Wake River Circle of King's Daughters.

Mr. C. B. Cary, senior vestrman of Wake Church, followed with an address of hearty congratulation, and expressed the high appreciation of the vestrymen of Wake Church.

Five minutes speeches followed by the Rev. William C. Wyatt, pastor of Newington Baptist Church, Rev. W. H. Gregory, of the First Presbyterian Church, and the Rev. J. E. Deshaize, of Bellamy's M. E. Church.

These gentlemen were followed in five minute speeches from the Rev. Charles E. Buck, the Rev. Henry Thomas, and of Washington, D. C., classmates of Mr. Lee, and the Rev. Frank Scott, of Petersburg, and the Rev. B. D. Decker, of Norfolk, war friends of the rector.

The day was ideal, and a large number of friends of all denominations attended the celebration, which was a most impressive and beautiful spirit dwelling in Gloucester people and their loyalty and affection for their pastor.

FARMERS' INSTITUTE.

Lectures on Agricultural Subjects Attended by Farmers.

(Special to The Times-Dispatch.)

AMBLIA, VA., June 27.—Quite a crowd of representative farmers from all parts of the county attended the Farmers' Institute here today, and listened with great interest to the speakers.

Colonel J. Thomas, of Abingdon, and Professor W. P. Masses, editor of the "Practical Farmer," who talked on "Soil Improvement," and Dr. J. S. Pennington, the State veterinarian, who talked on "Diseases of Stock," giving valuable information as to diseases of common animals of cattle and horses, and referring to methods by which boards of supervisors in the different counties now in the quarantine line could be released and given the privilege of shipping tick-free stock.

In the afternoon Professor Masses talked on "Farm Crops and Grasses for the South," and giving especial commendation to the silo and ensilage, saying for stock feeding he would as soon do to-day or to-morrow.

C. N. Stacy talked on "Profitable Prices for Farm Crops, and How They Can be Realized," showed how it was being done by truckers and tobacco growers under the A. S. E. plan.

PATTON THE WINNER.

Appointed Postmaster to Succeed Himself

(Special to The Times-Dispatch.)

LEXINGTON, VA., June 27.—Postmaster McClung Patton is assured of his reappointment to the Lexington post office. A telephone message was received here this morning from James A. Frazer, of Rockbridge Alum Springs, who today received a letter from Postmaster Patton, which conveyed the information that Mr. Patton's papers were ready to be sent to the Senate, and this would probably be done to-day or to-morrow.

Thus ends a long and arduous contest for the Lexington post office, in which four candidates—Mr. Patton, Assistant Postmaster Conner, former Postmaster Ackery and John M. Quisenberry—made strenuous efforts and frequent visits to Washington to secure the prize. Mr. Conner will be assistant.

MORRIS JUSTIFIED.

The Negro's Identity Will Likely Remain a Mystery.

(Special to The Times-Dispatch.)

DANVILLE, VA., June 27.—Detective E. Morris, of the special detective force of the Southern Express Company, who killed an unknown negro Monday night, while in the act of entering the room where his wife and grown daughter were sleeping, was given a hearing in the Mayor's Court today. Mayor Wooding, in testimony, was given before the judge, who was entirely just in doing the shooting. Monroe E. Richardson, who was arrested on the charge of being an accomplice of the dead negro, was dismissed. The body of the negro killed was buried to-day at the expense of the city.

His identity will probably remain a mystery.

CHESTERFIELD COURT.

Trial of Suit of Lane Against Electric Railway for Damages.

(Special to The Times-Dispatch.)

CHESTERFIELD, VA., June 27.—The trial of the \$50,000 damage suit of William Lane, of Petersburg, against the Richmond and Petersburg Electric Railway Company was begun to-day in the Circuit Court. All testimony was introduced and instructions were argued before the judge before adjournment this afternoon. The case will go to the jury to-morrow, concluding this term's cases.

Alleging that a ticket to Chester was sold him by the Petersburg agent when he asked for a ticket to Richmond, and that he was rudely treated by the railway conductor and ejected from his car, though afterwards taken on again, the plaintiff sued several months ago for the heavy damages above.

The testimony of the company's witnesses makes it doubtful whether or not damages will be awarded.

A suit of W. H. Anderson vs. H. C. Wilson involving a disputed boundary line of land near Blitticks was decided yesterday by the court in favor of the defendant.

A tract of 225 acres of timber land in Matocosa district was sold here at auction to-day by E. H. Wells, commissioner, in suit of J. F. Rowlett vs. Rowlett et al., to H. L. Ferguson, for \$4,500.

Several good "Accident" Companies sell it. Sixty dollars per year will bring you \$25.00 per week, for every week you are Sick. But, your time alone may be worth far more than that. And \$200 per week might not pay for your suffering. That's why "Cascaret" Insurance which prevents Sickness, is worth ten times as much money as other "Health" Insurance.

Yet "Cascaret Insurance" will cost you less than Ten Cents a week.

That gives you a "Vest Pocket" Box to carry constantly.

"Indigestion" means food eaten but only partially digested.

"Constipation" means food retained in the body undigested too long, till it decays. It then supplies the poisons of decay to the system, in place of the nourishment it might have supplied.

Isn't that a tremendous handicap worth insuring against?

What does it cost to Cure Constipation or Indigestion, with their train of small and great ills, and to insure against a return of them?

Not so very much.

One 10 cent box of Cascarets per week, at most, perhaps half that.

One candy tablet night and morning, taken regularly for a short time, is warranted to cure the worst case of Constipation or Indigestion that walks the earth.

One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you.

Because 90 per cent of these ills begin

in the bowels, or exist through poor nutrition.

Cascarets don't purge, don't weaken, don't irritate, nor upset your stomach. No—they act like Exercise on the Bowels, instead.

They stimulate the Bowel-Muscles to contract and propel the Food naturally past the little valves that mix Digestive Juices with Food.

They strengthen these Bowel-Muscles by exercising them.

The time to take a Cascaret is the very minute you suspect you need one.

—When your tongue is coated a little.

—When your breath is not above suspicion.

—When your head feels dull, dizzy, or achy.

—When you have eaten too heartily, or too rapidly.

—When you have drunk more than was good for your digestion.

—When you have a touch of Heartburn, Gas-belching, Acid-rising-in-throat, or a Coming-on-Cold.

Carry the "Vest Pocket" Box where it belongs, just as you would your Watch, Pocket-knife or Lead-pencil.

It costs only 10 cents. At any drug-gist.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "CCC."

FREE TO OUR FRIENDS!

We want to send to our friends a beautiful French-designed, GOLD-PLATED BOWTIE, with a measuring tape, in color. It is a beauty in the dressing table. Ten cents in stamps is asked as a measure of good faith and to cover cost of Cascarets, with which this dainty bowtie is loaded.

Send today, mentioning this paper. Address: Sterling Remedy Company, Chicago or New York.
